TUCHU IS A STIMULANT, and of itself B may fail to effect a cure, but Buchu, when scientifically combined with Bromide of Potassium and other ingredients, pro-duces a sedative effect, and causes a healthy action, thus increasing the powers of digestion, allaying irritation, reducing all unnatural swellings, stopping pair and inflammation, and causing the repairs and nutriments in the human body to be greater than the wastes, thus preventing decomposition and decay, and gives nourishment, health

and vigor to the system.

My Buchu is good for all diseases arising from excesses; such as Weakness, and Pain in the Back and Legs. Trembling in the re-gion of the Heart, Weak Nerves, Pallid Countenance, Dryness of the Skin, Scrofula. Syphilis, in its many forms, Ulcers, and

fellow-citizens know full well, found me be hind the prescription counter in the city in which I now awell; I have cured more people of various diseases than all the physicians in Louisville put together Undoubtedly, for every single patient that any Louisville physician has I have a hundred. I am no upstart of yesterday. My Medicines are a success -- a great success. Louiswille is not large enough for me to have a competitor. I monopolize the Wholesale Patent Medicine Trade here. One and another has tried, by copying after me here in Louisville, to compete with me, but, one after another, their guns have been silenced, and their efforts have been abortive.

My Medicines are good and answer the purpose—that is the secret of my success. My reputation as a compounder of good, reliable articles is fully established. I believe my Buchu and Bromide of Po-taspium is the best article now in the market for the cure of all diseases of the urinary or genito-unrinary organs, such as Nocturnal Incontinence. Irritability of the Blad le and Urethra, Inflammation of the Pelvis of the Kidney, and all that class of diseases. Buy a dollar bottle and be cured. Use as BOOTS, per directions in all cases.

JOHN BULL, M. D.

Manufacturer and Vender of the . CELEBRATED

FOR THE CURE OF

AGUE AND FEVER CHILLS AND FEVER,

The proprietor of this celebrated medicine justly claims for it a superiority over all remedies ever offered to the public for the safe, certain, speedy, and permanent cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and Southwestern country to bear him testimony to the truth of the assertion, that in no case whatever will it fail to cure, if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and whole families have been cured by a single bottle, with a perfect restoration of the general health. It is, however, prudent, and in every case more certain to cure, if its use is continued in smaller doses for a week or two after the disease has been checked, more especially in lifficult and long standing cases. Usually, this medicine will not require any aid to keep the bowels in good order; should the patient, however, require a cathartic medicine, after having taken three or four doses of the Tonic, a single dose of BULL'S VEG-STBALE FAMILY PILLS will be sufficient.

Is widely known as one of the most effectual remedies ever discovered for cleansing the system and purifying stood the test of ears, with a con stantly growing rep-

intrinsic virtues, and sustained by its remarkable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great cor-ruptions of the blood, such as the scrofulous and syphilitie contamination. Impurities, or diseases that have lurked in the system for years, soon yield to this powerful antidote, and disappear. Hence its wonderful cures, many of which are publicly known, of Scrofula, and all scrofulous diseases, Ulcers, Eruptions, and eruptive disers of the skin, Tumors, Blotches, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipeas, Tetter, Salt Rheum, Scald Head, Ringworm, and internal U!cerations of the Uterus, Stomach, and Liver. It also cures other complaints, to which it would not seem especially adapted, such as Dropsy, Dyspepsia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility, and Leucorrhoea, when they are manifesta-

tions of the scrofulous poisons. It is an excellent restorer of health and appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even where no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of

PREPARED BY Dr. J. C. AYER & CO., Lowell, Mass.,

Every year increases the popularity of this valuable Hair Preparation; which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY OR FADED HATR to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR DRESSING ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPA-RATION for its intended purposes." Sold by all Druggists, and Dealers in Medicines.

All the gifts were promptly paid, without discount, on presentation of the tickets to which they were awarded, and the Trustees now refer to any or all of those who then drew gifts as witnesses of the integrity, promptness and strict business principles upon which the gift concert now announced may be expected to be conducted. Those who intend to buy should do so early. At the first concert given for the benefit f the Public Library, in December last, thousands of dollars received for tickets were

returned because the money came too late.

The entire products of the sale of tickets will stand untouched

in bank as a guarantee for the payment of gifts offered.

Purchasers of tickets will note that there are 1,000 gifts for distribution by lot at this concert, instead of 721, as at the first entertainment, in December last.

Arrangements have been mile with the Adams Express Company, and its connections, to transport money for the purchase of tickets in the Grand Gift Concert, at the following reduced tariff of rates: \$25 and under, 15 cents; \$25 to \$50, 25 cents; \$50 to \$75, 40 cents; \$75 to \$100, 50 cents. Where the Express cannot be used conveniently, money av be sent by Post-office money orders, or registered letters, or bank drafts. All tickets ordered and not paid for or returned before the drawing, will be cancelled by their numbers; it being now distinctly announced that tickets are cash, and that none can be out on C. O.
